Montvale Education Foundation Casino Night a success

Event raised more than \$24,000 to benefit foundation

On Sept. 20, the Montvale's Educational Foundation (MEF) hosted an evening of entertainment with the seventh annual MEF Casino Night. The casino event raised more than \$24,000 to benefit the MEF.

Guests enjoyed an evening of food and spirits while playing casino-style games. Attendees cashed in their winnings for raffle tickets to win one of the 31 available prize baskets (minimum value of \$500 each). The evening's program also included a silent auction. Some of the items available for bid included a private luncheon and fashion show at a major department store for the winner and nine friends, plus sports memorabilia, as well as babysitting and homework help from a teacher.

The MEF is nonprofit, community-based organization that strives to enhance educational excellence in the Montvale public schools. More information about MEF and its projects, visit www.mef4kids.org.
